**Note:**

1. The figures above represent counts of Learner Permit Licence categories and not Learner Permit Licences i.e. No. of licenced drivers holding learner permit licences. Totals by category do not equal the total number of licences, because a learner permit licence may have more than one category and each category can be of a different classification (i.e. 1st, 2nd, 3rd etc.)
2. Total number of current learner permit licences on the 30th September 2018 is 239,222 i.e. excluding learner permit licences which are still 'current' . but in respect of which 'Full' licences have been obtained prior to 30th September 2018
